

Attention Maplewood Families:

eScrip is here!

What is eScrip?

- eScrip is an electronic fundraising program where participating merchants contribute each time you make a purchase with your registered cards.

How does it work?

- Register your grocery club cards and existing credit/debit cards and a percentage of all purchases made with eScrip merchants will be given back to Maplewood.

What do I do next?

- Log on to www.eScrip.com and register now. Simply click on 'Sign Up' and follow the 5 easy steps. It takes less than 5 minutes but has endless potential.
 1. Enter Maplewood's **Group ID # 500025409**, then click 'Search'
 2. Click on '**Maplewood Elementary School PTA**'
 3. Fill out your information and click 'Next'
 4. Input your Safeway Club Card number and click 'Next'
 5. Input your Credit / Debit card information
 6. Edit if needed, then click 'Confirm'

Once completed, you will be given an ID number and you can create your own password. They will then route you to the merchant list page and send you a welcome e-mail. Next, tell your friends and family to register too.

Please go to www.eScrip.com and register today!

Thank you for supporting Maplewood!
